Dear P.A.T. Competitor:

The Iowa Section PGA is pleased to see your entry into the P.A.T. at Pheasant Ridge Golf Course. The 36-hole event is scheduled for Tuesday, July 19. Round one will begin with tee times at 7:30 A.M. and Round two will begin with tee times at 12:00 P.M. You will have approximately 15-30 minutes to eat lunch prior to round two, depending on your pace of play for round one. Below are your tee times for round one.

Please check in at the Pro Shop prior to warming up. Additional charges for the event are \$30 (cart, range, lunch) and will be collected at the Pro Shop. Pay the Golf Course when checking in. Also, please be prepared to show photo identification when checking in at the Pro Shop.

Pheasant Ridge Golf Course is located in Cedar Falls, IA. If you need directions or plan on playing a practice round, please make arrangements in advance with John Bermel (Host PGA Professional) at 319-266-8266.

If you have any questions or concerns please contact Tess Goudy at the Iowa Section Office (319-648-0026). Good luck to everyone.

**NOTE: Remember the PGA dress code: no shorts (for men), collarless shirts or jeans. Caddies are not allowed. Spectators may watch but must be at least thirty yards from all participants at all times when on the golf course (no exceptions). All participants must use a golf cart for the P.A.T. Failure to comply with any of the rules stated above will result in disqualification.**

**NOTE: Distance-Measuring Devices: A player may obtain distance information by using a device that measures distance only. However, if during a stipulated round, a player uses a distance-measuring device that is designed to gauge or measure other conditions that might affect his play (e.g., gradient, wind-speed, temperature, etc.), the player is in breach of Rule 14-3, for which the penalty is disqualification, regardless of whether any such additional functions are actually used." (See Decision 14-3/0.5)**

Target Score: Men 156 6570 Yards

Sincerely,

Tess Goudy
