

September 6, 2011

Dear P.A.T. Competitor:

The Iowa Section PGA is pleased to see your entry into the P.A.T. at Ames Golf & Country Club. The 36-hole event is scheduled for Friday, September 16, 2011. Below is your first round tee time. Round two tee times will begin at 12:30 P.M. You will remain in your same group and follow in the same groups. You will have approximately 15-30 minutes to eat lunch prior to round two, depending on your pace of play for round one. Pace of Play will be monitored and Pace of Play penalties will be enforced.

Please check in at the Pro Shop prior to warming up. Additional charges for the event are \$30 (cart, range, lunch) and will be collected at the Pro Shop. **Also, be ready to show a photo I.D. when checking in at the Pro Shop.**

If you need directions or plan on playing a practice round, please make arrangements in advance with Mr. Jay Giannetto (Host Professional) at 515-232-9470.

**NOTE: Remember the PGA dress code: no shorts (for men) or collarless shirts. Caddies are not allowed. Spectators may watch but must be at least thirty yards from all participants at all times when on the golf course (no exceptions). All participants must use a golf cart for the P.A.T. Failure to comply with any of the rules stated above will result in disqualification.**

**NOTE: Distance-Measuring Devices: A player may obtain distance information by using a device that measures distance only. However, if during a stipulated round, a player uses a distance-measuring device that is designed to gauge or measure other conditions that might affect his play (e.g., gradient, wind-speed, temperature, etc.), the player is in breach of Rule 14-3, for which the penalty is disqualification, regardless of whether any such additional functions are actually used." (See Decision 14-3/0.5)**
