ARTICLE I. IOWA SECTION PGA ADMINISTERED EVENTS

Iowa Section PGA administered tournaments are those in which professional entries are limited to Iowa Section PGA members and registered apprentices in good standing. PGA members transferring into the Iowa Section that are not employed in an active PGA classification are not eligible to play in these events. All entries and payouts for these tournaments will be processed through the Iowa Section PGA office with assistance from PGA National. The Tournament Chairman, Tournament Director, Executive Director, and host professional shall have complete control over each Iowa Section administered event.

Any Iowa Section administered event must be held only at those courses where a Class "A" PGA professional in good standing or PGA Apprentice in good standing is employed. For any I-PGA administered event held during the normal golfing season (April through October), reference the BlueGolf Tournament Information Page for maximum field size.

All communications concerning the schedule and fees for a particular tournament will be available on the Internet at www.iowapga.com and must be approved by the Tournament Director or by the Executive Director of the Section before publishing.

All players in any Iowa Section PGA administered event must adhere to a proper dress code. Professionals must wear pants/slacks (no jeans) or knee length shorts, and a collared shirt. Amateurs must wear a collared shirt. Any person found in violation of this Tournament Regulation would be given the opportunity to correct the violation if possible. If the violation is not rectified by tee-time, the player will be disqualified from the event.

ARTICLE III. ENTRY POLICIES

Section 1. Entry

All entry fees must be received in the Section Office by the deadline printed on the online entry form to be considered for inclusion into the event. Phone call entries will be allowed with a credit card. If you are unable to contact a member of the staff, please leave your entry information along with a credit card number and expiration date on voice mail. Professionals may also register over the internet for various tournaments at <http://www.iowapga.com>.

All professional participants in all Iowa Section administered events will pay entry fees as follows and no entrant shall have any option to delete any of the entry fees.

- a. Team All Pros: 60% of professional's entry fee for individual purse and 40% of professional's entry fee for team purse.
- b. Pro-Pros: 60% of professional's entry fee for low pro purse and 40% of professional's entry fee for team purse. All added money will go to the low pro purse (Open and Senior Divisions).
- c. In events where the Section Office controls amateur entries or the professional brings their own amateur(s), at least 75% of the amateur entry fee will go to the team purse.
- d. Due to the wide variety of tournament formats, the Tournament Committee and the Section Office reserve the right to adjust these entry fee regulations to better serve the intent or purpose of a particular event.

Section 2. Refunds / No Show Policies

Tournament entry fees shall be refunded minus \$10.00, only if the Tournament Director or Executive Director is notified by telephone prior to the entry deadline date and time or process is done online. If a professional has to withdraw from an event after the deadline date, they lose their entry fee. The entry fee will be forfeited except for extenuating circumstances.

The entry deadline is the Tuesday prior to the event (6 days) at 11:59PM unless otherwise stated.

In events where ground conditions do not allow the use of motorized carts, the golf professional and team have the option of playing or not playing. Those players withdrawing will be refunded. The payouts will be adjusted accordingly.

Any golf professional that commits to playing in any pro-am or pro-member conducted in the Iowa Section must participate or notify the host professional at least two hours prior to his scheduled tee-time. Failure to do so shall subject the individual to a \$100 fine. The collected fine will be distributed at the discretion of the Board of Directors.

Should a professional fail to appear, the amateur assigned to that team may compete and use the score of a drawn professional to assist in their team score. The drawn professional has the option to accept the higher award if both his teams finish in the money. The other prize will be redistributed through the winning pros in team competition.

In team competition, a player who pays only one entry fee may only collect one prize. A professional paying two entry fees is eligible for two prizes.

ARTICLE IV. TOURNAMENT FIELD

Tournament Field

A minimum of 20 professionals must be registered by the tournament entry deadline for the Iowa PGA to host an All-Professional Section Event.

If a full field of professionals, as determined by the host pro is not completed by entry deadline, that professional has the right to solicit eligible participants to fill the field. This applies only to the Pro-Ams in which the host club is responsible for the amateur field.

In the event more professionals enter than there are spots available in a tournament subject to limited fields, the following method shall be used in filling the field.

- a. Only paid entries that are received in the office by the entry deadline will be considered.
- b. Tournament registrations are taken on a first-come, first-serve basis regardless of PGA Classification.
- c. All entries for double shotguns will be kept in order of receipt for each session as requested. Those entries received first will have first priority.

Balancing a "Double Shotgun" Field

The Tournament Committee may utilize a "Field Balancing" policy to eliminate the lopsided fields that occur when there is a "Double Shotgun" format. The formula is designed to assist the Host Professional in carrying out their duties more efficiently. The formula takes the entire field and splits it into a 55% vs. 45% ratio with the higher percentage going to the shotgun with higher demand.

First priority will be given to "Receipt of Entry" regardless of PGA Classification. Early entries will be rewarded.

ARTICLE V. RULES AND CONDUCT

Section 1. Rules

All I-PGA administered events are to be played under USGA Rules of Golf. Any deviation must be with the approval of the Tournament Director and/or the Executive Director.

The Board of Directors, upon recommendation of the tournament committee, after a proper hearing, may impose a penalty to include a fine or suspension of a member for violations of the Rules of Golf for conduct unbecoming of a golf professional during or after a tournament; this shall include not finishing a stipulated round of play without just cause.

Any member professional who allows to be staged or stages a professional-amateur event or an open tournament or open invitational event or any other similar event at their club

or course on a date which conflicts with any published Section-administered event may be suspended from membership for one year, unless the Board of Directors grants special exemption.

Section 2. Code of Conduct

We are judged by how we dress, act and conduct ourselves at meetings, tournaments and in individual encounters with the public. One member or Tournament Playing Affiliate can damage the profession and the entire Section's reputation.

I. The following are considered violations of our "Code of Conduct" in addition to those in the PGA National Constitution:

- A. Club throwing, club breaking, foul language or other displays of temper unbecoming a golf professional.
- B. Clubhouse decorum, public intoxication or loud and vulgar displays while a guest at another club or at meetings.
- C. Gossip, actions or anything done or presented in such a way as to harm a fellow professional.

Fines are due and payable within thirty (30) days unless the Participant has made a written appeal. Should the appeal be denied, the fine will be due and payable within thirty (30) days of such denial of appeal; and the Participant will be ineligible to participate in any Section tournament and any other PGA of America tournaments and the tournaments of any other PGA Section until said fine is paid in full.

- A. Advance Notification of Proposed Disciplinary Action
Except for penalties under the Rules of Golf and for "Minor Penalties" (as hereafter

defined), any Participant subject to disciplinary action or penalty defined as a “Major Penalty” shall first be notified of such proposed action in writing. Such notice may be presented to the Participant by a tournament official. Within thirty (30) days from the receipt of the notice, the Participant shall submit to the Section Tournament Director or the Section Executive Director such facts or evidence of mitigating circumstances as may apply. Within thirty (30) days of receipt of such information from the Participant, the Section Tournament Director or the Section Executive Director shall notify the Participant in writing of the imposition of the proposed disciplinary action or penalty, or that the proposed action has been dismissed. After the imposition of any penalty hereunder, the Participant shall have the right to appeal to the Section Board of Inquiry as set forth in Section E herein.

B. Rules of Golf

Any Participant in a Section tournament who breaches the Rules of Golf of the United States Golf Association or Local Rules in effect for the conduct of such event shall be subject to the penalties provided in such Rules as well as any other penalties imposed by the Section consistent with this policy. The decision of the Section Rules Officials/ and/or the Section Tournament Committee with respect to such Rules breach shall be final and conclusive.

C. Conduct Unbecoming a Professional

Any Participant deemed guilty of conduct unbecoming a professional while participating in a Section tournament or in activities related thereto (e.g. practice rounds, hospitality events, etc.) shall be subject to fine, suspension and/or permanent disbarment from Section tournament play as provided in this policy. A fine of \$100 shall be levied for the first offense. A fine of \$150 shall be levied for the second offense, and a prohibition from participating in Section events for one year shall be levied for the third offense. Any Participant that is found guilty of more than three offenses for conduct unbecoming a professional charge may, at the sole discretion of the Section, be permanently prohibited from participating in all Section and PGA of America tournaments and also may be subject to PGA of America Code of Ethics charges. Notwithstanding the foregoing, the Section reserves the right to pursue Code of Ethics charges against any PGA Member/Apprentice for conduct charges related to the conduct of any Participant at Section golf tournaments and related events at the sole discretion of the Section in compliance with the procedures for Code of Ethics hearings as set forth in this Article II of the Bylaws.

D. Classes of Penalties for Section Tournament Offenses

1. MINOR PENALTIES.

A Minor Penalty is a fine of not more than \$150 and/or suspension from tournament play for two or less tournaments. A Minor Penalty may be imposed by the Section tournament officials responsible for the conduct of the tournament.

A Major Penalty is a fine in excess of \$150, suspension from tournament play for more than three tournaments, and/or permanent disbarment from Section tournament play.

1. MINOR PENALTIES.

Appeals from Minor Penalties shall be to the Tournament Committee Chairperson (or his/her designee). Such appeal may be in writing or oral. Such appeal shall be received by the Tournament Committee Chair no later than thirty (30) days subsequent to the infraction. The Tournament Committee Chair shall render the decision on appeal in writing within thirty (30) days of the receipt of the appeal and submit a final report to the Section Executive Director. The Section Executive Director shall submit this final report to the Association General Counsel. Such decision shall be final. Notwithstanding the foregoing, in the event that the Section determines that it would prefer that a Minor Penalty shall be submitted to the Board of Control for a hearing in lieu of action by the Section, then the Section Board of Inquiry will follow the same procedures set forth herein for all matters submitted to the Board of Control for Code of Ethics procedures.

2. MAJOR PENALTIES.

Within thirty days from the date of notification of a Major Penalty, the Participant may submit a written appeal to the Section Board of Inquiry. Failure to file such an appeal shall be deemed conclusively to be an admission of the charges specified in the notification.

Thereafter, the Section Board of Inquiry will prepare a report of the matter to the Board of Control and the matter will be set for a hearing before the Board of Control in accordance with all applicable procedures set forth herein for ethics appeals heard by the Board of Control. The Board of Control shall hear the appeal either at the next regularly scheduled Board of Control hearing or at an expedited meeting that may be held in person or via conference call at the discretion of the Chair of the Board of Control. The decision of the Board of Control shall be final. An appeal shall operate to stay the effective date of any penalty, except suspension from a Section tournament then in progress or scheduled for the calendar week in which the alleged violation occurred, until after a final decision on the appeal.

All fines must be paid within thirty (30) days from the imposition of the fine, or in the event of an appeal, within (30) days from the decision rendered by the Board of Control in the event the Board of Control upholds the findings of the Tournament Committee Chair.

ARTICLE XII. TOURNAMENT PROCEDURES

The Board of Directors, to assist the Professional when hosting a Section sponsored event, has approved the following information. It is suggested that if you are hosting a tournament, whether Section sponsored or one of your own, that you use this information as a checklist during your tournament preparation. An official Host Pro Checklist will be emailed or faxed to each Professional prior to his/her tournament.

Section 1. Course Set-up and Preparation

Marking the Course

The course must be properly marked with paint on the ground. The course is to be marked by the host pro unless arrangements with the Tournament Director have been made for him/her to mark the course. Markings include:

- Water Hazards - Paint on ground
- Lateral Water Hazards - Paint on ground
- Ground Under Repair - Paint on ground
- Drop Areas - Paint on ground
- Out of Bounds - White stakes are good enough

Hole Locations & Tee Settings

Hole locations and the quality of the field and nature of the tournament shall determine tee settings. Particulars to consider include Pace of Play and entertainment of amateurs. Consult the Tournament Director and Superintendent prior to setting the course. Note: When setting the hole locations in a Pro-Am, the purpose of the event is to ENTERTAIN the AMATEURS. Please place all hole locations in the most friendly positions on each green. Iowa PGA Tournament Director will contact course superintendent prior to the event to ensure the course is set up in a fair manner.

Pros and amateurs should play from the same tees. Only exception to this will be during all Pro-Am events – senior amateurs 65 & older will play from modified tees that range from 5,800-6,000 yards.

WOMEN professionals who are playing in the event shall play the course at 80% of the distance that the male professionals play.

Male Course Distance Requirements for Minor Point Events

- a. Par 72-6500 yards
- b. Par 71-6300 yards
- c. Par 70-6100 yards

Condition of Course

The Host Professional, Host Superintendent and Tournament Director will decide if the course is fit for play. "A Preferred Lies" ruling will be made by The Committee as a last resort to complete the round.

Guidelines:

A proper pick, clean and place will be used to substitute.

Preferred lies will be played in your fairway only. Any alteration of that must be announced before start of play.

Rule 25-2, The embedded ball rule, is always in affect. Every effort possible shall be made by the host pro and superintendent to start, resume or complete play within the designated dates of the tournament.

Section 2. Discontinuance of Play

Due to circumstances beyond our control, if play is to be discontinued, the decision is to be made by The Committee administering the tournament. The delay signal is to be one long horn or siren blast. All competitors must mark their position on the course and may not resume play until authorized by The Committee.

DECLARING A WINNER

If completion of the tournament is not possible, the following regulations will be enforced:

A. One-day pro-ams and opens started by tee times and shotgun:

If all have completed the same 9 holes, that 9 hole score counts. If the completed 9 holes are not the same, the tournament is washed out.

B. If rescheduling is impossible in double shotgun events:

If one shotgun completes all or enough holes to declare winners and the other shotgun does not, those completing play will play for the proportional amount of the pot, and all other entries and sponsor monies will be returned. If one shotgun completes 9 holes and the other completes 18 holes then two separate pots are played for and all Player of the Year points are cancelled.

C. Multi-day tournaments:

If play is discontinued the first day or any subsequent day of the tournament that is not the last day, all players shall return to their marked positions and continue play the next day. If time will not allow completion for the next day, that round will be a wash out. If play is discontinued the last day of the tournament, previous day's scores will determine the championship except that each 9 holes completed by all players the final day will be added to their previous scores.

D. Section Championship/PNC:

36 holes must be completed to determine the Section Champion, and if not, the tournament will be rescheduled. All holes counted toward the championship must be played by all contestants (no computing to par).

E. Section Match Play Championship:

Delays in the Match Play may involve a change in format to be determined by the tournament committee. All matches completed are final and subsequent matches will be played at a later date.

Section 3. Miscellaneous

Playoffs:

Playoffs must be noted before play begins involving the guidelines and specifications in which it will be held. When a playoff is to be used, the format will be for first place money and points. All other competitors in the playoff will split money and points.

If a long period of time separates finishers and a lone championship is not necessary, a playoff is discouraged.

To decide ties for plaques in all Iowa Section PGA sanctioned team events when a playoff is not possible, a card-back by the guidelines set by the Tournament Director, using the same format that the event was contested.

Playoff should be played for first place only in the Pro-Assistant.

GPS Devices:

Golfers will have the option to use personal electronic measuring devices in all Iowa Section PGA events. A player may obtain distance information by use of a distance-measuring device. If, during a stipulated round, a player uses a distance-measuring device to gauge or measure other conditions that might affect his play (e.g., elevation changes, wind speed, etc.), the player is in breach of Rule 14-3. Personal electronic measuring devices will not be allowed for PGA of America qualifying events.

Blind Draws:

If a blind draw is needed for any Iowa Section PGA event, the tournament software will choose a blind draw at random. The player that is chosen as a blind draw will remain anonymous and will not have the option of paying an extra entry fee and share winnings with additional team.

Staffing:

Staffing responsibilities include: Bagroom Staff, Range Staff, Cart Traffic, Club House Staff, Starters/Rangers, Parking, Pro Shop Staff

Media:

The Host Professional should make every effort to have the event covered by local newspaper, radio and TV. Invite the contact person from your local newspaper as a guest of the PGA, refer to Iowa's media guide with numbers and contact those listed. The Host Professional is responsible for faxing results to major newspapers upon completion of play.
